

ABSENCE REQUEST FORM

Please note that all requests are considered on their merits, taking into account the impact on the child's learning and other factors, including his or her current attendance record

- Parents should not remove their children from the Madrasah for the purpose of holidays during terms times.
- Parents may request permission for an absence in exceptional circumstances.
- Medical appointments should be arranged outside of Madrasah hours, where possible.
- If your child is unwell and you keep them at home, you must phone or message the Madrasah office to inform them before 5pm in the afternoon and thereafter every day until they return to Madrasah.
- Students who have other commitments and regularly need to miss days, come late or leave early, need to make an official request
- All other absences, lateness's or early finishes, must be requested beforehand via phone calls, messages or in-person requests. Informing the Madrasah after the fact will still incur student detentions.
- All requests will be considered but permission may not always be granted.
- Holiday dates are available from the Madrasah office.

Please hand deliver to the Madrasah office or email to shahporan.madrasah@gmail.com
